

A note from

Pastor Francis ...

... **Welcome** to our Worship Celebration today. We are glad you are here!

... We are very intentional about creating environments where people will hear God's voice speaking to them. We are a culturally diverse congregation from various countries of origin like **China, Hong Kong, Thailand, India, Malaysia, the Philippines, Jamaica, South Africa & Zimbabwe**. Indeed, God is at work among us, and He desires to speak to us today!

... We are excited about what God is doing among us as we passionately commit to learning biblical truth and passionately seek to apply biblical truth in our lives as we go about our daily routines ...

In today's sermon ... we reflect on Exodus 20:4-6. Idols, what are they? We may not have images or statues in our homes today. Are there idols in our lives we have difficulty recognizing? The **first word** shows us who to worship: God. The **second word** challenges and directs us on how to worship God. Looking at our lives, who are we worshipping?
