

**... Welcome to our  
Worship Celebration  
today. We are glad you  
are here!**

We live in a world that directs us toward success in our careers, relationships, wealth, acceptance and health as the keys to happiness. What would you do if you got everything you ever wanted and thought you needed? Would that be enough? Would you never ask for anything else? What would you do next? Jesus heals, but He sees where we need healing even deeper inside us than we even know.
