The ministry of the church is to encourage and develop all brothers and sisters to be mature Christians:

- a) All mature Christians are committed and obedient to Christ's & the Holy Spirit's calling wherever He directs.
- b) All mature Christians are "missionaries", sharing Christ wherever God places them.

When RHCBC sends out a particular person as a missionary, the person is being commissioned by the church to accomplish a specific God Kingdom related mission, in a specific location with a specific target people group as part of the overall God kingdom building ministry. *The person being commissioned must be mature Christian as described above.*

The specifics of mission, location, and target people group (i.e. the ministry) are endorsed by the church under the direction and guidance of the Holy Spirit, both for the church as well as for the person being commissioned.

Once endorsed, all aspects of the commitment is binding on both the missionary (as the person being commissioned) as well as the church and such commitment is treated with greatest degree of seriousness as it is a commitment to respond to God's specific calling.
